DR. JOHN BULL-Dear Sir; - Last February

got some of your Sarsaparilla and Cedron Bit-Dr. Gist, who has been in bad health, has tried them, and he also improved. My son-in-law, who was with rie in the store, has been down with rheumatism for sometime, commenced on Bitters and soon found his general health improved. Dr. Coffee, who has been in bad health for several years—stomach and liver affected—he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think could sell a great quantity of your medicines this fall—especially of your Cedron Bitters and Sarsaparilla. Ship me via Mem-phis, care of Rickett & Neely.

BULL'S WORM DESTROYER.

To my United States and World-Wide Readers.

I have received many testimonials from professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following letter from a highly educated and popular physicion in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of BULL'S WORM DESTROY.

VILLANOW, WALKER COUNTY, GA., June 29, 1866. DR. JOHN BULL-Dear Sir:-I have re-

cently given your "Worm Destroyer" sever-al trials, and I find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use WM. M. WILLIAMS, for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D.'s, but I see no just cause or good sense in discarding a rem edy which we know to be efficient, simply because we may be ignorant of its combina-tions. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to com mand-not hesitating because some one more ingenious than myself may have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums that flood the country, that purport to cure all all man ner of disease to which human flesh is heir. Please reply soon and inform me of your best terms. I am, sir, most respectfully,

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. Wm. Knabe & Co.—Gentlemen:

I have great pleasure in certifying that I have tried your Square Planos and find them equal, if not superior, to any in this country. Among the great qualities which distinguish them, is the evenness of tone, the easy and agreeable touch and volume of tone. Whishing you all the success which you so highly deserve, I am, sirs, Y ars, very truly, S. THALBERG.

I cannot but congratulate you upon the immense progress and improvements which you continually make on your Planos, which, in my opinion, rank among the very best in the country.

M. STRAKOSCH.

Our Opera Troupe are at present using four of your justly celebrated Pianos, and as the exponent of the views and opinions of the various artists, permit me to say: I consider them as unsurpassed in brilliancy and

say: I consider them as unsurpassed in ormancy and excellence, and pre-eminent, without a rival in this country or in Europe. Their superior quality of tone, combining great depth and powerful volume, with a rich and peculiarly clear and even treble, together with magic elasticity of touch and action, render them superior to the other instruments, which rarely, if ever, complete the other instruments, which rarely, if ever, com-

magic classicity of touch and action, render them superior to the other instruments, which rarely, if ever, combine those most essential requisites. Profoundly impressed with the many valuable qualities of these Pianos, I most cheerfully endorse the high and meritorious encomiums everywhere p anounced upon them.

E. MUZIO,

Musical Director of the Italian Opera

Your Agent, Mr. Bauer, asked me to give him my opinion as to the merits of your Piano—Grand and Square. My opinion "on the square" is that they are all grand. Yours truly, ROBERT HELLER.

Wm. Knabe & Co. Gentlemen:

Yours, respectfully, GEO. W. MORGAN, Organist of Grace Church.

It affords me great pleasure to testify to the great excellence of your Plano Fortes. As regards volume and quality of tone, delicacy of tonch, durability and finish, I believe they will compare favorably with those of our most celebrated makers; wishing you a continuance of the success which you so eminently desire.
